

March 12, 2018

To Whom It May Concern,

Thank you for your continued support of Team Allied Distribution. Our top priority is to provide you with quality products, quick delivery, excellent customer service, and fair prices. We enjoy our relationships with all of our customers.

2017 was a phenomenal year of growth for our company where we added 5 new locations! We are looking forward to continued success for many years to come. We will continue to research new product lines and technologies to keep up to speed with the demands of the market and the requests of our customers.

Many of our suppliers have put us on notice that due to fuel and freight costs along with the aggressive rising price of precious metals and steel, they will be required to make pricing adjustments. This pricing change has taken effect on several lines already, with more coming April 1st, and into the second quarter. Some of the top suppliers that have given us notice are listed at the bottom of this letter.

We will continue to do our best to ensure that we keep our pricing affordable and our product offering top notch.

Once again, thank you for your business!

Thank You,

Darrell Kurth – President
